ABOUT

I am a dedicated and driven full-time college student at Aurora University, pursuing a degree in Data Engineering with minors in Computer Science and Mathematics. As the captain of the men's volleyball team, I demonstrate strong leadership skills, discipline, and a commitment to teamwork. With a solid academic foundation, including recognition as an ISAC State Scholar and a recipient of the Presidential Award for Academic Excellence, I bring a passion for learning and problem-solving. I am looking to leverage my analytical and technical skills to make a meaningful impact in the field of Software Engineering.
